

## ANCIENT ARTS “Lost Worlds and Artifacts” 2021-2022

ART is short for ARTIFACT... The objects “left behind” when man has left the world. Language needs translation but images are universal. Every culture leaves an artistic footprint for others to discover. Students will be challenged with new techniques, styles, and art forms as they explore the artistry of ancient worlds such as Egypt, Greece, Pompeii, and the far East through imaginary sea creatures, treasure maps, and much more.

## Moms, Dads, and siblings...

We love you and your excitement! We know how much fun it is to stay and watch but please remember that we are trying to create the best learning environment, and most productive space for our students. As artists we are ALL easily distracted, no matter how old we are. Disruptions such as noise, movement, and interactions can interrupt the flow of creative thinking and break our focus/concentration (for students AND instructors)!

PLEASE HELP US MAKE THIS A WONDERFUL EXPERIENCE.....

- 1) Siblings of students must be attended by an adult at all times.
- 2) Please remain quiet once class has begun
- 3) It is our professional experience that students are most productive when not attended with a parent. Studio space is limited. Please, consider walking across the street to the park, checking out our wonderful library, or running to Meijer while you wait during class time. Plainwell is a lovely, safe town for walks and many places are just a block or two away.
